## BIOGRAPHY

Fenton is a very versatile DJ who can play all musical styles, which include: House, Deep House, Progressive House, RnB, Hip-Hop, Garage, Pop and Party, Fenton can read the crowd superbly & play at any type of event!

Fenton is now becoming known for his commercial Future House energetic sound, with now six top 5 Upfront UK club chart positions under his belt, Fenton has releases every 6-8 weeks.

Fenton was the resident DJ of London Mayfair's exclusive members club Annabel's for several years, along with his annual Ibiza residencies, which have included super clubs Amnesia, Space & Pacha. He has had played at events including Together, Carl Cox Revolution Recruits, Pukka Up, Steve Aoki's Playhouse, Kisstory & Ibiza Rocks, with DJ tours extensively all over Europe, the Mediterranean, the Middle East & Asia, and Indonesia too. Fenton loves to entertain, wherever he is in the world.

Some past DJ bookings include: the sold out Ibiza Legends Weekender playing with Cafe Mambo, Ministry of Sound London for The Gallery, along with private events for celebrities and brands: Reebok, H&M & Calvin Klein and most impressively personally DJ-ing for the future King of England, Prince William at a private event in London along with other Private events: The Creative Circle Awards at The Roundhouse London, Miele new product Launches, Reebok product launches, President of Disney's sons barmitzvahs & various Celebrity birthday events

Fenton has had several releases on his signature Rabbit Noize label 'What We Do', 'Love You No More', a remake of Joey Negro 2005 classic hit 'Make A Move On Me' released on legend Paul Oakenfold's label Perfecto, in 2016 'No Good 4 Me', and another remake, this time Armand Van Helden's 'My My My' which again has been supported by the elite DJ's and worldwide radio, followed by an original track in June 2016 with Stonebridge vocalist Therese 'Don't Want Your Love', which has recently been licensed to Armada Music.

Also in June 2016 Fenton put out a Remix of Justin Timberlake's 'Can't Stop The Feeling', which captured the attention of many DJ's and radio stations worldwide including: Tiesto, EDX, Thomas Newson, Judge Jules, Billboard, Kiss FM, Capital and Gaydio radio & many more!

Other releases in 2016 are: August 2016 'Ready 4 The Drops' ft Skilf on Rabbit Noize and 'Where The Party AT?!' ft Majesty in September 2016, which is a remake of 90s band Jagged Edge. October/November 2016 brings - The Way It Is & I Just Like To Call You (my bitch).

With more releases throughout the year with special featured vocalists you should listen & watch out for Fenton Gee...
